Additional Hours of Operation at the City of Milwaukee Tow Lot Begin Sunday, December 13, 2015

Tow lot now open on Sunday mornings

The City of Milwaukee Department of Public Works (DPW) announces that the City Tow Lot, located at 3811 West Lincoln Avenue, will add Sunday morning hours of operation beginning this Sunday, December 13, 2015. The Tow Lot will be open from 7:30 a.m. to 12:00 noon on all Sundays *except Easter Sunday, March 27, 2016*.

“DPW continually strives to offer outstanding customer service to all City residents and visitors,” said DPW Commissioner Ghassan Korban. “Adding Sunday hours at the City Tow Lot provides vehicle owners another opportunity to retrieve their property in the unfortunate instance when a vehicle must be towed.”

Avoid parking citations or a tow! The Department of Public Works encourages City residents to follow *all* parking rules, including winter parking regulations, which will help our crews remove snow effectively, efficiently, and safely this winter season.
